

OUR SCHOOL

Under the renowned GEMS international network, we will open the doors of our purpose-built, high tech, environmentally conscious school located in Rehab 2 in September 2022, using the American curriculum-based AERO standards. We will initially open our early years up to 8th grade in 2022, adding upper grades in subsequent years with a projected enrollment of 1400 students.

WHY GISC?

At GEMS International School Cairo, we aim to ensure that students have a pleasurable and deeply satisfying school experience. Guiding and teaching our young geniuses to thrive academically and socially is the pathway to the GISC Legacy: Inspiring Leaders, Future Thinkers, Fearless Explorers, Diversity Ambassadors.

The emphasis on personal values that result in impactful world citizens has been at the center of our plans for the highest quality educational experience for our GEMS geniuses. While our students will have access to the best in academic preparation, equally if not more importantly, emphasis on and role modeling of outstanding character traits will be infused into their daily learning.

MISSION

GISC empowers the genius in every child through knowledge, skills, and values in an international educational setting, allowing them to thrive both personally and academically. We nurture the driving passion to enable our students to make a powerful impact in their community and the world.

ACTIVITIES

GISC commits to extending our students' learning beyond the traditional school day by providing unique, high-interest after-school activities that meet your child's talents and passions for exploring and discovering. We will offer opportunities in state-of-the-art robotics and programming for all ages, individual and team sports, swimming, gymnastics, dance, performing and visual arts, world languages, community service clubs, culinary arts, debate and international affairs, and academic competitions preparation.

GISC IS NOW A CANDIDATE SCHOOL

GISC is a Candidate School* for the PYP and MYP Programme. Our school is pursuing authorization as an IB World School. These are schools that share a common philosophy—a commitment to high quality, challenging, international education that GISC believes is important for our students.

*Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme, or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted. For further information about the IB and its programmes, visit www.ibo.org
